The March meeting of the Wellesley Amateur Radio Society was held in its regular location on Monday, March 1st at 7:30 PM. 18 dues paying members and guests were present. President Brad K1CTK wasmoderator. In addition to a short quiz on radio theory, Roy , our Treasurer signed up some members for subscriptions to the magazine "73". Anyone interested in the CD net on 2 meters was asked to participate. It has been a sucess during the past several months.

The President then asked thegroup for suggestions about next month's auction. It was agreed that we would modestly circulate notices. Several members felt that some form of poster should be printed. Other members hoped that just junk would not be only on sale. It was decided that the auction would me mainly for club members.

This was followed by two excellent movies on Transistors, and the manufcature of radio receiving tubes.

The formal meeting was then adjourned and refreshments were served.
